The report includes the following:

- o **Settle Date:** The date the deposits are batched and are sent to your account
- o **Deposit Account:** The bank account the “Net Total” funds have been deposited into. If depositing money into more than one bank account, click the filter icon to select and view deposits for a specific bank account.
- o **Gross Total:** Total deposit with no fee adjustments.
Gross Deposit = Payments - Refunds/Voids
- o **Fees:** Transaction fees for processing the batch. Please note, any additional fees (including chargebacks) will be found on your monthly Merchant Statement.
- o **Net Total:** Deposit amount posting to your bank account Net
Deposit = Gross Deposit - Transaction Fees

- Estimated Fund Date: The approximate date the deposit posts in your account. Please note, if the “Estimated Fund Date” is a week-end or holiday, the funds will show in your bank account the following business day.
- Match each deposit to your bank account using the “Net Total” column.
 - Please note, if your organization is depositing funds into multiple bank accounts, you will select the individual account you are reconciling from the “Deposit Account” drop down and click “Filter” to view deposits into that one account. Otherwise, you are viewing total deposits in all accounts.
- If using an online banking system, filter deposits by “RVT” and compare your bank deposit total to the total in your RevTrak Settlements “Net Total” column.
- Net deposit records are available for export to Excel or PDF.

View Deposit Details

Click the arrow next to each deposit date to view the following details:
